Rules & Regulations:

1. Remember, this is a celebrations of Christmas; it's all about the light
2. All entries must be street legal, since **the parade route will not be closed down** to traffic.
3. You must adhere to all traffic laws as per your normal driving. (You must stop at all stop lights and adhere to other traffic and/or pedestrians that may be on the road as well.)
4. 14 ft. max. height suggested. All entries must have Christmas lights lit
5. **No throwing of candy from the parade vehicle during parade.**
6. Fire extinguishers on every entry.

BRING ENTRY FORM TO THE PARDE

Covid Parade Rules

All participants must wear masks during judging and during the parade.

Entries should be limited to single households but no more than 3 per state household guidelines. We really would like the entries to be more about the lights and are discouraging groups riding on floats.

**Participants need to remain within their vehicles during judging.
Please be mindful of the social distancing guidelines.**

I agree to follow the rules set forth above.
